

Obituary of
Ernest (Ernie) Ivar
SUNDAL
1948 - 2022

Ernie passed away peacefully in hospice with his family by his side on May 29, 2022. He is survived by his daughter, Kristina, and his siblings Linda and Grant.

Ernie was capable of anything that he put his mind to. Playing in bands, building street rods and motorcycles, winning championships in motocross, building his own diner and Western Town...The list goes on. He will be remembered for making every moment spent with him an adventure.

He was an epic father, a fun-loving brother and uncle, and a wonderful friend to many. He will be dearly missed.
